## WHAT THE BUYERS SAY

“ I have discovered a broad assortment of jewellery collections, and I have met suppliers from all over the world, including Italy, India, Spain and Turkey. ”

**Elias El-Sayegh of Sayegh Jeweller (Since 1935), Lebanon**

---

“ It’s an amazing show. I have seen mostly modern designs, which I could actually introduce back home. Botswana has quite a big market for finished jewellery. ”

**Alyson Lucia Mazai of Velucia Jewelry, Botswana**

---

“ JGTD was exactly the show that I needed. As a buyer, I would say that my Dubai trip was a success since I found two new suppliers from whom I purchased good-value products at fair prices. ”

**Savvas Samourakis of Savvas Samourakis Jewellery, Greece**

---

“ I found new exhibitors who offered their latest collections and I met with old suppliers who presented new things that I could try. It was a good experience once again. ”

**Varouj Chilinguirian of Varouj Jewelry, Cairo, Egypt**

---

“ I am impressed with the gemstone showcases and the latest jewellery-making technologies. I also connected with chain-makers from Italy. As a designer and an independent brand, to see what is out there and what other options I can consider is very important. The fair is rich with that. ”

**Yolanda Yara Miguel Cunjuca of By Yara, Luanda, Angola**

---

“ This show has been a total success for me. I discovered new suppliers and new product lines that I have been looking forward to getting into, so it’s been very interesting. ”

**Mateo Rafael Barba Da Silva of JD Medallas, Guayaquil, Ecuador**

---

“ The fair is easy to explore and clearly segmented into different sections. I discovered a wide range of jewellery collections curated from around the globe, from Turkey, Italy, Singapore and Hong Kong to name a few. ”

**Blanca Luzia Do Amaral Soares of Blanca Leone Jewelry, São Paulo, Brazil**

# WHAT THE EXHIBITORS SAY

“At JGTD, we came into contact with buyers from countries that we rarely reach. We gathered interest in particular types of products, which also gave us the impetus to develop new references.”

**Alice Alessi, Board Member at Alessi Domenico Spa, Italy**

---

“The show for us is good. At the exhibition, our strategy is not to make sales but to do networking and marketing, showcase our products and then take potential future orders. We met with buyers from Dubai, Doha, Bahrain, Switzerland, Singapore, Australia and Israel, among others.”

**Shreyans Dholakia, entrepreneur and brand custodian at Shree Ramkrishna Exports (SRK), India**

---

“We met with serious buyers and they like our coloured gemstone layouts.”

**Jose Miranda da Costa Jr and Cam Li Miranda of Miranda Gems e Mine Ltda, Brazil**

---

“I am very happy that I joined JGTD. I met a lot of interesting people who are interested in buying my collections. No photography, no video-recording – just people who have their own shops and who came to the show to buy.”

**Ioannis Alexandris, Founder and CEO of Gemolithos Group GmbH, Germany**

---

“This is the second time that we are in this show. We did very well the first year, and we did better this year. The clientele is very serious here. Everybody has a purpose and they are fulfilling it.”

**Tousif Ausaf, CEO of Precious Pebbles Inc, US**

---

“This market has a lot of potential for Colombian emeralds. People are looking for different types of goods in different qualities. Since the customers are coming from different places, they all have different preferences.”

**Guillermo Galvis, President of ACODES (Colombian Emeralds Exporters Association), Colombia**
